

PARKING LOT COMMUNION

Here are the guidelines we ask you to follow:

1. **On the first Sunday of the month at 4:00 pm**, all interested may come to the church parking lot.
2. Upon arriving at the parking lot, *please stop at the lot entrance* where servers, masked and gloved, shall greet you, coming to the front passenger-side window to offer bulletins and baggies with communion elements for the service. (The elements will have been prepared with sanitary precautions).

Please have your mask on when opening the window to receive these items, for the wellbeing of the servers.

3. Head to a parking spot, *tune your radio to the channel listed on the bulletin, and close your windows. Please regulate your heating or air conditioning in whatever manner keeps you safe and comfortable.* (We are following these stringent practices for everyone's safety).
4. Pastor Hogan and Gary Farquhar will lead the liturgy via FM radio transmission, with everyone participating from the comfort of their enclosed cars. The congregants will retain and later dispose of the bag and empty cup.
5. Go in grace and peace!
